1.0 Important Notice – Submission of Agency Invoices

Why you need to act on this notice

NHS Professionals seeks to process and pay invoices from agencies promptly to terms but our experience is that delays are caused because invoices do not accurately reflect the work as booked by the Trust on the NHS Professionals Online booking system. NHS Professionals can only pay invoices on the Trust's behalf where there is total agreement with what the Trust has booked and what has been invoiced by the agency.

The requirements below are designed to enable you get paid promptly – failure to do so can result in delays. We would therefore ask you to carefully check all invoices submitted to ensure that they conform to the requirements below - **the agency must ensure that its operatives have online access to NHS Professionals Online to undertake these checks – contact web.support@nhsprofessionals.nhs.uk if you require access.**

Information that your invoice MUST contain

NHS Professionals checks that the timesheet and the itemised invoice both accurately reflect the shift booking. This means:

- The timesheet must be signed off by an authorised signatory on the ward/area at the Trust.
 - The invoice or timesheet must show the booking reference number, preferably both.
- Any invoice without a booking reference number shown will not be processed, but returned to the Agency.
- If you cannot provide a booking reference number then the shift will be considered a direct booking and should be removed from NHS Professionals statement.
 - Separate invoices must be supplied for individual staff booked.
- Only 1 timesheet per invoice will be accepted. Multiple timesheets attached to 1 invoice will be returned to the agency for re-invoicing.
- Full details of the name of the Trust, and hospital and the name of the ward/area on which your staff number has worked must be shown on your invoice/timesheet. These details should be quoted from the NHS Professionals Online System. Detail on invoices that do not match the detail in the NHS Professionals systems WILL delay payment.
 - Payment terms of 30 days.
- Agency invoices should be addressed as follows:

<Trust name>
NHS Professionals Ltd
E01 Payables 7095
Phoenix House
Topcliffe Lane
Wakefield
WF31SN

2.0 Getting Started

The following guide has been compiled to aid you in your day to day use of your NHS Professionals Agency Web Browser.

The Agency Web Browser allows Agencies to:

- Automatically view shifts that are available to them
- Add new Agency Workers onto the NHS Professionals database
- Book Workers into available shifts
- View the status of invoices being processed by NHS Professionals

To gain access to the system you must logon to the NHS Professionals web site, this means you will need to open your Internet Browser (typically Internet Explorer) and then enter the NHS Professionals website address into the address bar:

<http://www.nhsprofessionals.nhs.uk>

Each request will appear on a separate row and will contain the detail of that request. Should you require to further filter the requests on the screen you can select the 'Location' and or 'Ward' from the drop down lists at the top of this screen.

The 'Options' link will navigate you to the screen where you will be able to book a Flexible Worker into this request.

The Encrypted NHS Professionals Reference Number is unique to this request. If you have any queries regarding this request you will need to quote this encrypted number in any communication you may have with NHS Professionals

The 'Notes' button will be displayed if there requester of this request has added a note. You should read this note before making a booking as it may contain important information regarding this request.

4.1 Booking a Flexible Worker

This section comes immediately after you have completed the actions in section 4.0. If you see any pop up messages appear you should find an explanation in the section 'Error Messages' found later in this document. Before you attempt to book a Flexible Worker into the request you should ensure that you have read any notes that are attached to that request. Clicking on the 'Notes' button will display any notes associated with that request.

The detail of the request will be displayed to you as above. When you are ready to book your Flexible Worker click on the 'Add Agency Worker' button.

The following pop-up window will appear. You will need to enter the name of your Flexible Worker as it is appears in the NHS Professionals system.

For the few first times try typing in the SURNAME ONLY. You will then see the name as it appears in the system and you can then type in the full name next time.

Please note that shortening the first name will not return any flexible workers i.e. typing in Mike is not the same as Michael and Jon is not the same as Jonathan.

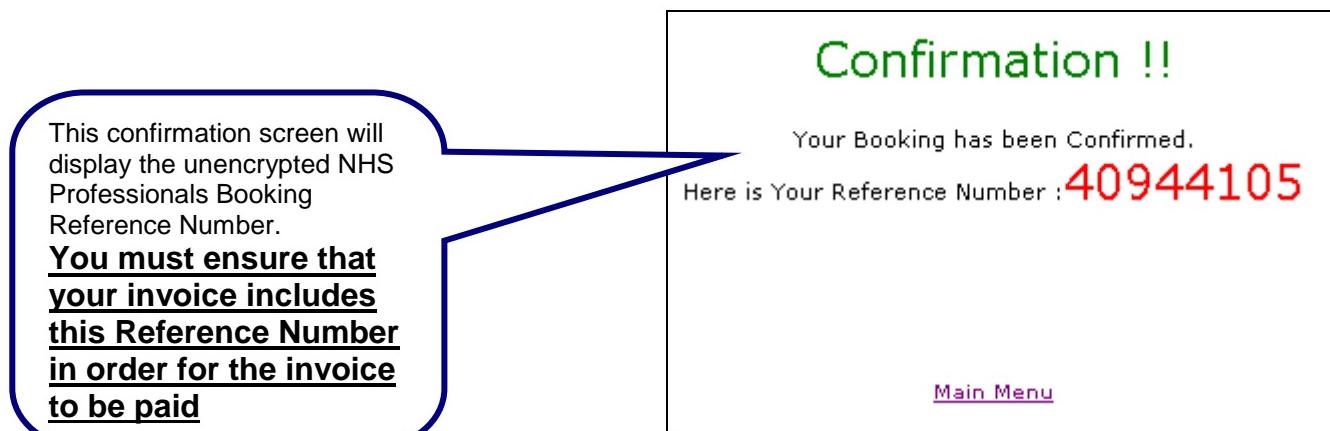

If the person you are searching for is not returned in the results try searching again using the surname only (or try an alternative spelling) or that person does not exist in our database

You will then be presented with all the workers that are listed on the NHS Professionals database that match the surname and or first name that you typed in. Use the drop down box to select the worker that you wish to book into that request. Then click on the 'Add Booking' button at the bottom of the screen.

A message will be displayed stating that the worker is being validated. The Flexible Worker may not be validated if they are booked into a shift for an overlapping time period. Should this occur a pop up notification will be displayed to you notifying you that the Flexible Worker cannot be booked

Once the Flexible Worker is validated the 'Confirmation' page will be displayed to you:

Modifying or Cancelling your Bookings

Please see the later section of this manual entitled 'Booking Status' to view details on how to modify or cancel your bookings.

5.0 Book Agency Worker

If you require to book an Agency Worker into a **number of requests at one time** click on the 'Book Agency Worker' menu option and the following screen will be displayed:

Select Agency Worker

7.0 Add Agency Worker

If you wish to add a Flexible Worker that does not already exist on the NHS Professionals system click on the 'Add Agency Worker' link in the menu.

Add New Agency Worker for N/A

Surname:	<input type="text"/>
First Name:	<input type="text"/>
NI Number:	<input type="text"/> (Format: XX111111X)
PIN:	<input type="text"/> <input type="button" value="▼"/>
PIN Expiry:	<input type="text"/> <input type="button" value="Calendar"/>

Add Assignment

ABCD16: ABCDEndo
AMRP00: AMRP Gen Acute
AMSH00: AMSH Gen Acute

Enter all information that is relevant to the worker that you wish to place. You will need to enter all the appropriate fields for this worker. Note that NI Number is a mandatory field and this is used to ensure that this is used as a unique identifier for the system. There is no other option for this and you MUST enter their valid NI Number. Failure to do this may result in access to the NHS Professionals' Online system being withdrawn by the trust

Confirmation.

The Agency Worker has been added successfully to the System.

Once the worker is added a confirmation page will be displayed.

If you have any problems adding your Flexible Workers consult the Error Messages section of this manual. If this does not resolve the issue contact NHS Professionals by emailing web.support@nhsprofessionals.nhs.uk and include the Flexible Workers full name and National Insurance Number

8.0 Edit Agency Worker

Should you require to update or edit the details of one of your Flexible Workers you should click on the 'Edit Agency Worker' link from the menu.

The following page will be displayed for you to select your worker:

Enter in the Surname of the worker and click 'Continue'	Bookings, Please Fill in search criteria to filter Agency Workers Surname like <input type="text" value="training"/> Firstname like <input type="text"/> <input type="button" value="Continue ..."/> Please note: The Agency Workers will be filtered by providing Surname/Firstname. Only required, if it is a Direct Booking
<input type="button" value="Close"/>	

Your entry will now take you to the edit agency worker page:

Edit Agency Worker for N/A

11.0 Reports – Booking Status

The Booking Status report will display a list of the requests that you have booked a Flexible Worker into along with the NHS Professionals Reference number.

Once you have clicked on 'Booking Status' in the Menu the 'Agency Bookings Filter Options' page will be displayed

Choose the Trust and date range that you wish to see confirmed bookings for and the click on the 'submit' button. You will not be able to have a greater than 15 days date range and for larger trusts you may wish to reduce this further.

The 'Booking Status' page will then be displayed for all the bookings for your agency. You can further filter this report by using the 'Location' and or 'Ward' drop down lists at the top of this page.

Should you require to export this report to Excel click on the 'Export to Excel' button at the bottom of the screen.

12.0 Changing or Resetting Your Password:

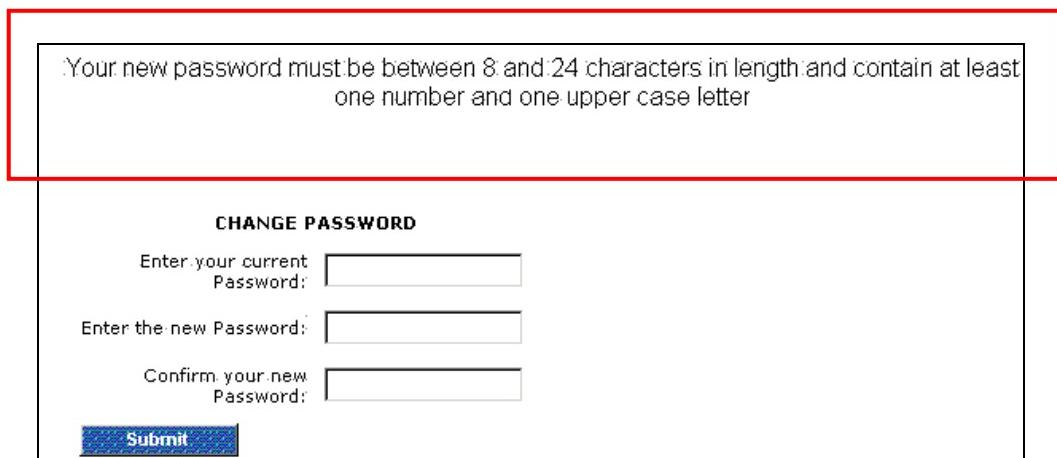

It is possible for NHS Professionals Online Users to change their own passwords via the change password link in the menu or if you have forgotten your password you can reset your password using the 'Forgot Password?' link on the login page

12.1 Changing Your Password once logged in

The top of the page shows details of the logged on user, along with the password valid to date – this will enable you to keep a check but the system will remind you to change your password 14 days before, and for everyday after until it expires. We recommended you change your password as soon as you see these prompts, to avoid any problems.

Click on the change password link in the menu and you will see the following page appear:

A form titled "CHANGE PASSWORD". It contains three input fields: "Enter your current Password:", "Enter the new Password:", and "Confirm your new Password:". Below the fields is a "Submit" button. A red box highlights the entire form area. Above the form, a message box states: "Your new password must be between 8 and 24 characters in length and contain at least one number and one upper case letter".

Enter your current password and then your new password twice. NOTE that your NEW password must be

between 8 and 24 Characters long and contain at least one number and one upper case letter, click submit and your password will be changed if it matches the rules above

12.2 Resetting a forgotten password

If you have forgotten your password click on the 'Forgot Password?' link from the main login page. You will be redirected to the Password Management System:

The screenshot shows a Microsoft Internet Explorer window with the title bar 'Password Management - Microsoft Internet Explorer provided by NHS Professionals'. The address bar contains the URL 'http://uat-int-www-s10:4001/ForgottenPasswordEntryPoint1.aspx?AspxAutoDetectCookieSupport=1&returnurl=http://uat-int-www-s10&showHeaders=true&loadInFrame=f'. The main content area has a blue header bar with 'Password Management' on the left and the NHS Professionals logo on the right. Below this is a form titled 'Forgotten Password'. It includes fields for 'Username' (mfrostagorh), 'Email Address' (mark.frost@nhsprofessionals.nhs.uk), and 'Confirm Email Address' (mark.frost@nhsprofessionals.nhs.uk). There is also a CAPTCHA field containing '2KC66' with two small circular icons next to it, and a text input field below it containing '2KC66'. At the bottom are 'Reset Password' and 'Cancel' buttons. A red message at the bottom states: 'After clicking reset you will receive an email with a link to a web page to allow you to enter a new password.'

Enter your username and then the email address you registered your username with NHS Professionals with twice – please note you will not be able to copy and paste your email address from one box to the other.

Once you have done this you will be asked to enter the CAPTCHA information. Simply type in the 5 letter number and letter combination into the box below the CAPTCHA detail.

Click Reset Password and an email will be automatically sent if your email address is recognised.

Retrieve your email and click on the link in this email. You will see the following page appear:

Enter your new password details following the rules on screen. Enter the CAPTCHA information you see displayed on screen. Click Reset Password and your password will be reset and you will see a page to confirm you have changed your password. You will not be able to login to the system.

The screenshot shows a Microsoft Internet Explorer window titled "Password Management - Microsoft Internet Explorer provided by NHS Professionals". The address bar shows the URL: <http://uat-int-www-s10:4001/ForgottenPasswordEntryPoint2.aspx?AspxAutoDetectCookieSupport=1&ref=c387f362-7707-47a2-a3db-e85ab3136915>. The main content area is titled "Forgotten Password". It contains instructions: "Please submit a password that is 8-24 characters long, and contains at least two of the following: numbers, lowercase letters, and uppercase letters. i.e. \"password1A\" or \"passWORD\".". There are two input fields: "New Password" and "Confirm New Password". Below these is a CAPTCHA image showing the text "EQKQA" with two small circles containing question marks. A text input field below the CAPTCHA asks "Type the characters you see in the picture". At the bottom are two buttons: "Reset Password" and "Cancel". The status bar at the bottom of the browser window shows "Done" and "Local intranet".

13.0 Logging Off the System

Once you have completed all necessary work please log out of the system, using the '**Logout**' link

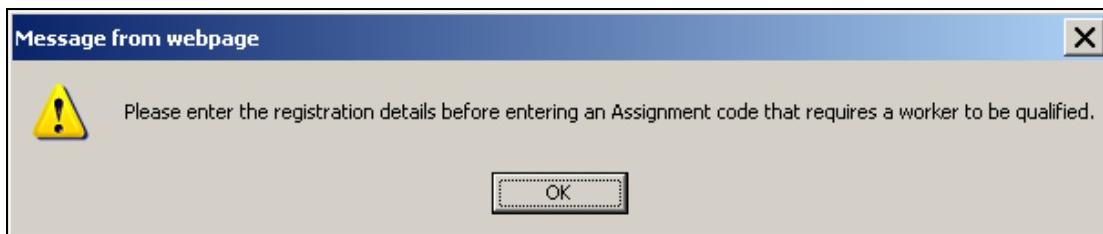

This will log you out of the NHS Professionals website and close the web page.

14.0 Warning Messages.

Throughout your use of the NHS Professionals' Online booking system you may receive messages about the actions you are trying to perform. A list is provided for you here. This list is not exhaustive, if you have any questions regarding these messages please contact NHS Professionals.

Adding a new Flexible Worker with expired registration or invalid registration details:

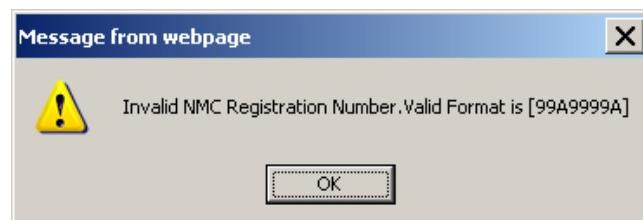

If you try to add a FW's assignment which requires a PIN and you have not entered their PIN before selecting their assignment you will see the following error:

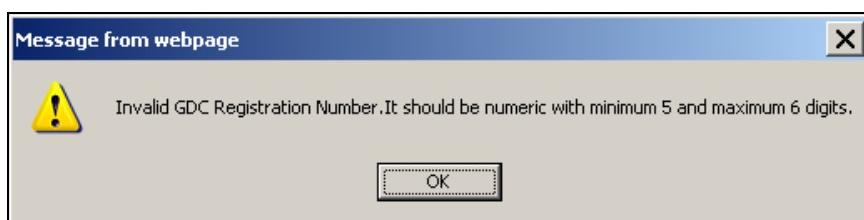

To rectify this message enter their PIN and reselect their assignment.

If you have entered their PIN and that PIN fails the validation checks you will see the following messages:

Invalid NMC PIN:

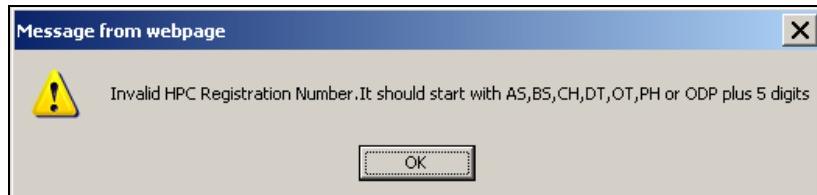

Invalid GDC PIN:

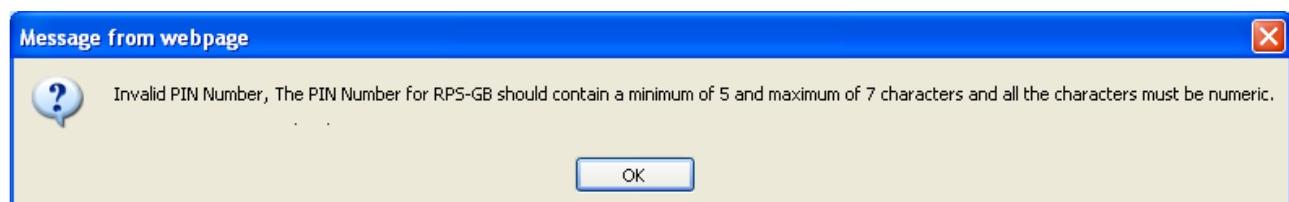

Invalid GMC PIN:

Invalid HPC PIN:

Invalid RPS-GB PIN:

To rectify these messages enter the FW's NMC PIN in the format described in the pop up message

Booking Validations:

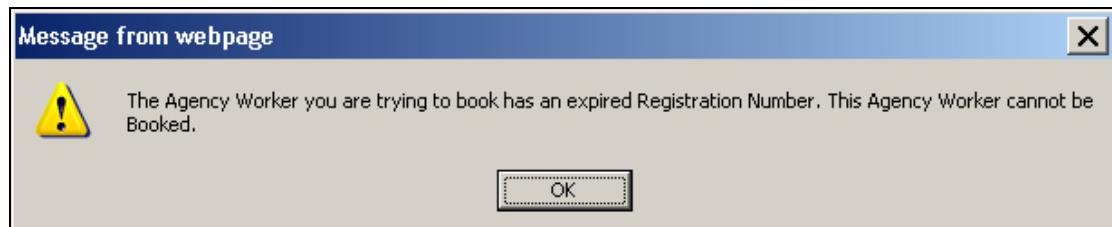

Back to Back Working:

If you try to enter one of your FW's and that person is working 'back to back' shifts (deemed as the type of shifts like working a night and then an early) you will receive the following message:

As the Working Time Regulation (WTR) states that workers cannot work these types of hours you will NOT be able to book this FW.

If you are trying to book a FW that does not have a valid registration or their PIN has expired you will see one of the following messages

To rectify these messages you should use the 'Edit Agency Worker' menu option and reenter the details for this FW.

If you are trying to book a worker and the 'ward' you are trying to book them for has requested a 'note' (Descriptive Non Availability) to this FW for this worker you will see the following page

Descriptive Non Availability	
Description	
Do not book this worker for Acute Pain Management	
Accept	Reject

This note could indicate anything that the requester wants to let you know. If you see the sort of message above where it indicates that someone should not be booked here you should contact NHS Professionals.

14.0 Appendix

This section is provided to supply you with additional information, that whilst not directly relating to the functionality of the NHS Professionals web booking system is useful information that will ensure your understanding of some of the related information used in the system.

Assignment Types and Area's of Work

When you see the assignment you should read the letters and numbers as two separate entities. The initial acronym e.g. CSW indicates the Staff Group and Band of Flexible worker that the NHS Professionals client requires. The set of numbers (e.g. 00) next this acronym indicates the area/speciality that the flexible worker must have to be able to work that request.

Nursing & Midwifery:

Nursing & Midwifery will be discussed here as a separate entity to the other Staff Groups due to it's larger number of Area's of Work.
